## Groveton High School

Groveton, Texas

Volume XIX

Presented by  
**THE ANNUAL CLUB**

A pictorial record of the Spirit of G.H.S.

STAFF: Sharon Smith, Kay Hudson, Rush Evans, Barbara Freeman, Joyce Rasbeary, Lynette Riley, Martha Williams. Ray Freeman, Billy Cates, Doris Letney, Jimmie Dwire, Elizabeth Archer, Audrey Tullos, Lily Mae Slaughter, and Betty Kennedy.

## "Hail, Groveton High School":

The theme of the 1960 TOMAHAWK, "The Spirit of Alma Mater," expresses everyone's feelings of dear 'ole Groveton High School.

The aim of the TOMAHAWK Staff of 1960 was to produce a year-book worthy of Groveton High School, and one that would tell the story of your school year.

We sincerely hope that we have succeeded in these aims and that you will enjoy each and every page of this, your 1960 TOMAHAWK.

This book could not have been produced without the help and co-operation of the student body, faculty, and the hard work of a wonderful staff and sponsor. My thanks go to all of these people.

As you leaf through these pages in the years to come, may the spine-tingling words of our "Alma Mater" be relived in the corridors of your memories.

Sincerely,

*Barbara Freeman*

Editor-in-Chief

## "Hats Off to You!"

Mrs. Lorene Hendley is the personification of the School Spirit of G.H.S. Her charming and vivacious personality inspires the love of competition, fair play, and good sportsmanship throughout the student body.

Because she contributes so much to us all as a teacher, librarian, sponsor of the pep squad, counselor, and friend, we affectionately dedicate to her this edition of the TOMAHAWK.

## **“Ever You’ll Find Us . . .”**

In the future when you look through your 1960 TOMAHAWK, the strains of your Alma Mater will ring in your ears; only then will the memories of the years you spent in Groveton High School become dear to you. The traditions of good school spirit and fine sportsmanship, which you have so wonderfully upheld, will be an inspiration to the students who follow you in the Groveton School.

Congratulations to the TOMAHAWK Staff and its sponsor for their splendid portrayal of the student life of the Groveton School.

*Weldon Byrum*

We of the Senior Class of 1960 are about to leave Groveton High School. We shall each leave behind us a small notch in the history of G.H.S. We have each done our best to leave something that we can be proud of. The things that we failed to do will have to be done by the students that will follow us.

Our past four years have been the happiest years of our lives and will be remembered by each of us with the fondest of memories. We sincerely hope that the years to come will bring to each of the students left behind us the very best that life has to offer.

The freshman class is the largest, and we like to think--the best in high school! It has been exciting to be in high school this year. The transition from junior high to high school has been an easy and pleasant one, thanks to our understanding teachers.

We were happy to welcome those joining us from Pennington. They have proved to be very valuable additions to our class.

To prove that we are a peppy class with lots of school spirit, we were second only to the juniors in the Halloween Queen contest. Thelma Thornton was crowned Princess of High School.

We have been ably represented on the Student Council by Carol Dias and Pat Kelly.

We are looking forward to interesting years in G. H. S. We have already begun a savings account looking forward to our senior trip.
